

K-LOVE has served our community on 90.3, 91.9 and 91.5 with uninterrupted, Christian music. As a family, we have come to depend on the enjoyable music in our home and cars. Our two teenage daughters and their friends listen to the music when they are in their cars. Our four married daughters and their families also enjoy the stations.

If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, it would be a tremendous loss to our community. We believe that the service provided by K-LOVE is a great benefit to our community because of the calm, non-offending lyrics often played on other stations. We want to have the freedom to make the listening choices we currently have and not have the station we have come to depend on, displaced by an LPFM broadcaster with other programming.
